CHANGE OF GAME FORM

INSTRUCTIONS: ***Each game change requires a $20 processing fee.***
Changes will not be posted until payment is received.

Each team is allowed (2) game changes per season. Game changes such as those caused by lightening terminations or field closures are exempt. Processing fees **must be included when the form is submitted.**

1. All game changes must be submitted on the "Change of Game Form".
2. The form and payment must be received by the YSSL seven (7) days prior to the originally scheduled game date or the revised game date (whichever is earlier), **from the team requesting the change**. Forms submitted late will not be approved or processed **and will result in a $50 fine and forfeit of the game.**
3. The form must include all revised date information. If you are having difficulties agreeing on a date, etc., email the YSSL at lease two weeks before the scheduled game so you don't fail to meet the 7-day deadline.
4. An acknowledgement email will be automatically sent to the Club Administrator on record when the game change is posted to the web site.
5. All rescheduled games must be played **by the last day of the season.**
